01

Canadian Global School is a K-12 Canadian Private School and we offer a separate highly recommended online language school for teens and adults. It was created in collaboration with educators, psychologists, language experts and universities. It aims at teaching English to adolescents and adults in the light of a student-centred learning approach with the assistance of professional teachers through live classes and videos. The goal is to prepare students for high education and the workforce.

02

Online English Learning classes at Canadian Global School, are your path to success in your language journey! Our live online English lessons are conducted in person and various international Colleges and Universities worldwide. There is also an online-only version and classes are conducted via Zoom, Google Hangout or Teams and are adjusted to every student's interests and language goals.

**03**

Our program also aligns with the Ontario curriculum, so high school students planning to study postsecondary in Canada, or at one of our international partner schools will greatly benefit from the program.

**04**

We offer an engaging and interactive online platform where students can have 1-on-1 or group language lessons with a qualified, English tutor. CGS online offers all the live conversation practice, personalized feedback, and human interaction of traditional language classes at an affordable price. Our educators have prepared lessons and content is differentiated and based on each student's level or needs.

**05**

Enroll in our online English Language Learner classes to improve your language skills with our qualified teachers, and start your path to fluency today.
